Targeted at periodontists and general practitioners

- Features original articles, written by internationally renowned authors, that present current research developments and clinical innovations in the disciplines of periodontics and restorative dentistry
- Ideal vehicle for reaching the ever-expanding group of elite periodontists who have incorporated implants into their practice
- Considered the most influential journal in periodontics and restorative dentistry by its large, paid subscriber base
- Relied on by clinicians as their source for the latest information on techniques and products they use daily
- Original articles and full-color images on high-quality paper provide a compelling editorial environment for your ad
