 10. **SUBLETTING OF SPACE** The exhibitor shall use its space solely and exclusively for the exhibition of equipment and materials manufactured or distributed by it in the regular course of its business and for no other purpose of any nature. The exhibitor shall not assign, sublet, or otherwise apportion or dispose of its exhibit space or any part thereof to other parties, and any use of all or part of said space by or for any person, firm, or entity other than the exhibitor is expressly prohibited.
 11. **SCHEDULING EVENTS BEFORE, DURING, OR AFTER THE SYMPOSIUM** No events may be held at the Renaissance Orlando at SeaWorld in conjunction with the First Biennial Meeting on Adhesive Dentistry, including but not limited to room drops, receptions, small lectures, or any other such gatherings, without the express permission of show management. Any infringement of this rule will result in the removal of the offending person.

Circulars or other promotional material may be distributed only from the exhibitor's assigned space and not from aisles or other open areas. Show management reserves the right to discontinue distribution of materials that may be hazardous to the exhibit participants, offensive to show management, or not contributing to the educational nature of the exhibition. **PRIZE AWARDS, DRAWINGS, RAFFLES, LOTTERIES, AND CONTESTS OF ANY KIND ARE EXPRESSLY PROHIBITED.**

Show management reserves the right to reject, cancel, remove, or restrict exhibitors who, because of noise or any other reason, interfere with the best interests of the exhibition as a whole, in which case its liability shall be limited to a prorated refund of the rental fee.

No loudspeakers, sound movies, or megaphones that interfere with adjoining exhibits will be permitted in the exhibition area. Silent movies must be located so as not to interfere with other exhibitors or aisle space, and operation of such silent movies must conform to union regulations and the rules of the Renaissance Orlando at SeaWorld.

17. **FLOOR SALES** Cash sales within the confines of the technical exhibition halls are prohibited. Orders may be taken for future delivery.

18. **REGISTRATION** Each person attending the exhibit will be required to register and wear an appropriate badge. Firms and representatives of firms not assigned exhibit space are prohibited from soliciting business in any form in the exhibit areas. Violators of this prohibition will be promptly ejected from the exhibit areas.

A business card will be necessary to register on-site. No exhibitors will be admitted to the exhibit hall unless they have a business card showing that they are an employee of the company.

The number of booth personnel is limited to 2 exhibitors per booth assigned. This policy will be strictly enforced throughout the exhibition.

19. **SECURITY** Guards and watchmen will be on duty during the meeting, but show management and the Renaissance Orlando at SeaWorld do not guarantee exhibitors against loss of any kind because of the presence of such guards and watchmen or any other protections that might be in effect during the meeting.

20. **CARE OF HOTEL PROPERTY** Decorations, signs, banners, etc, may not be taped, nailed, tacked, stapled, or otherwise fastened to walls, ceilings, doors, painted surfaces, columns, or electrical fixtures. No carts, hand trucks, etc, with hard wheels are permitted on carpeted surfaces.

21. **INDEMNITY AND LIABILITY** Show management will take all reasonable precautions to avoid loss of exhibitors' property by fire or theft, but under no circumstances shall the show management be responsible for such losses, and it is recommended that exhibitors cover their property with suitable insurance. Exhibitor agrees to provide show management with a certificate of insurance along with the payment of space rental fee. The certificate must show that the exhibitor carries no less than \$500,000 of general liability insurance.

Exhibitor agrees to protect, indemnify, and save harmless show management, as well as Freeman and the Renaissance Orlando at SeaWorld, from any suit or claim by any person whatsoever or imposed for the violation of any law, ordinance, or regulation, whether or not occasioned by negligence of the exhibitor, its employees, agents, representatives, invitees, guests, or those holding under said exhibitor. It is further agreed that loss or damage to property within the space allocated to the exhibitor from theft, fire, pilferage, or otherwise shall be at the sole risk of the exhibitor.

It is understood that show management has not acted as agent on behalf of any exhibitor and has undertaken only the contracting of exhibit space and allocation of same among exhibitors and coordination of exhibits, security, protection, installation, removal, management, or control of any exhibit or exhibitor. All risks attendant to the exhibition are at the sole risk of the exhibitor, and said exhibitor agrees to indemnify and hold harmless show management, as well as the Renaissance Orlando at SeaWorld and Freeman, for all actions, claims, or damages, including reasonable attorneys' fees and the defense thereof, which may be brought against show management in connection herewith.

22. **DESTRUCTION OF PROPERTY** In case the premises are destroyed by fire or the elements, or by any other cause, or in case any circumstances whatsoever, including strikes, make it impossible for show management to permit any exhibitor or exhibitors to occupy the premises, the exhibitor shall pay for space only for the period the space was or could have been occupied by such exhibitor or exhibitors. Show management is released from any kind and all claims for damage that might arise in consequence thereof. In the event that, for any reason, the exhibition is not held as proposed, show management shall be liable only for a refund of all money received from an exhibitor or exhibitors and otherwise shall be released from all claims for damage.

23. **REGULATIONS: A PART OF THE CONTRACT** These regulations are a part of the space contract. Show management reserves the right to interpret the regulations as well as to make final decisions on all points that the regulations do not cover.
